

Adapter

SC,FC,ST,LC,MTRJ,MU

Product Description:

The adapter series are ultra reliable components featuring low insertion and return loss. The adapter come with your choice of various types of commonly used models to meet requirements.

Feature:

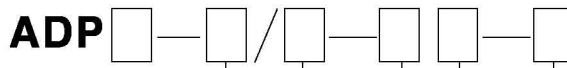

- High connectability
- Low-insertion loss
- Low-backreflection loss
- Environmental stability

Application:

- Fiber Optical Telecommunications
- LAN (Local Area Network)
- CATV
- High Speed Transmission Systems
- EDFA

Parameter	Condition	Single Mode	Mult Mode
Insertion Loss	Zirconia	≤ 0.2dB	--
	Bronze	≤ 0.2dB	≤ 0.3dB
Durability	500times	< 0.2dB	< 0.2dB
Operating Temperature	--	-40°C~+75°C	

Parts No.:

- 1- Simplex
- 2- Duplex
- Adaptor Type**
S/S-SC/SC, F/F-FC/FC
T/T-ST/ST, S/T-SC/ST
S/F-SC/FC
- Mode Type**
S- SM, M-MM
- Sleeve Type**
B- Bronze
Z- Zirconia
- Material & Color**
M-Metal
G- Green Plastic
B- Blue Plastic
E-Beige
